

K.CC.6/7

K.CC.6

Use one to one correspondence to compare and order sets of objects to 20 using phrases as “same number”, “more than”, or “less than”; use counting and matching.

Given 2 sets of objects student will manipulate the sets to prove which is more than, less than, or equal.

- 1. Given 2 sets, one containing 8 objects and the other containing 4 objects, state which is more and tell why.**
- 2. Given 2 sets, one containing 4 objects and the other 8 objects, state which is less and why.**
- 3. Given 2 sets, containing the same amount of objects, state that they are equal and tell why.**

K.CC.7

1. 8 7

2. 9 5

3. 4 10

4. 5 5

Same scoring:

4 correct = 1

3 correct = 2

2 correct = 3

1 correct = 4
